ITIL FOUNDATIONS TRAINING
WITH HONCOOP TECHNOLOGY SERVICES

LEARN MORE ABOUT THE FOLLOWING:

ITIL 4 reshapes established ITSM practices in the wider context of customer experience, value streams, digital transformation and systems thinking. ITIL 4 provides the guidance organizations need to:

+ Address new service management challenges

+ Utilize the potential of modern technology

WHY ITIL 4 WITH HONCOOP?

We are offering this in-person training at comparable rates to online training. Learn in the classroom for hands-on experience from our accredited staff.

ITIL empowers the IT employee to move from simply performing technology maintenance to supporting business services

It establishes a common vernacular among IT professionals and their clients

Adopting ITIL best practices improves and repairs the often strained relationship between IT and the business

ITIL provides a cohesive set of best practices drawn from the public and private sectors internationally

ITIL best practices provide a business perspective for Jr. and Sr.

IT Professionals and IT Management ITIL aligns IT with Business Strategy

YOU WILL RECEIVE:

- Two (2) practice exams
- Virtual Exam voucher
- ITIL Certificate (after successfully passing the test)
- Two lunches (during each full day of the course)

INSTRUCTOR

Greg Arnholt is an accomplished ITIL professional and a PMP certified Senior Project Manager. Greg began working with ITIL version 1 in 1995 and has continued to work with ITSM processes throughout his career.

Greg has taught the ITIL Foundations course with a 94% pass rate! Most recently, Greg has consulted with companies to implement service catalog, change management and other ITSM processes.
